Since cosplay events are meant to be fun, why don't we cosplay as each other's characters?
The Death Row protag is handsome...
Y*k*-san, you're serious?!
In that case, I'll pick the 'Support' role...
Good idea, Y*k*-san! In that case, I will get my staff to cosplay as the N*er protagonist~

(Bro)
(Dad)
Please decide who will be representing N*er~
Most of us are too old or unfit to portray them...
If it's going to be cosplay, it has to be accurate!!
Why did Hokke-san agree to this in the first place ...?

The costumes we got from SQ*X are frighteningly detailed...

Even the embossing...

Eh? Nobu-san is still wearing the costume...
